Steve,

Thank you very much for helping me with my doors. I appreciate very much your meeting me on a weekend.

Thank you for giving me your helpful, professional opinions on how to fix my doors, which are now being fixed by Christian next week. Your honest, kind and thoughtful approach saved me money, even though it cost you a sale.

For all of this I thank you and admire your professionalism. Please let me know if there is anything I can do to help you.

Best,
Mark
